Use These 7 Apps To Plan Your Next Vacation

DYLAN LOVE

JAN. 10, 2013, 8:29 PM

We're fresh into the new year but we're already daydreaming about our next vacation.

A number of apps are more than capable of helping you plan your next trip. Use them to save a bundle on flights, hotels, and car rentals — then use them again to find fun stuff to do once you've arrived at your destination.

Minube

Not sure where you want to go yet? Use Minube to browse pictures and video of destinations to get inspiration on where to take your next big trip.

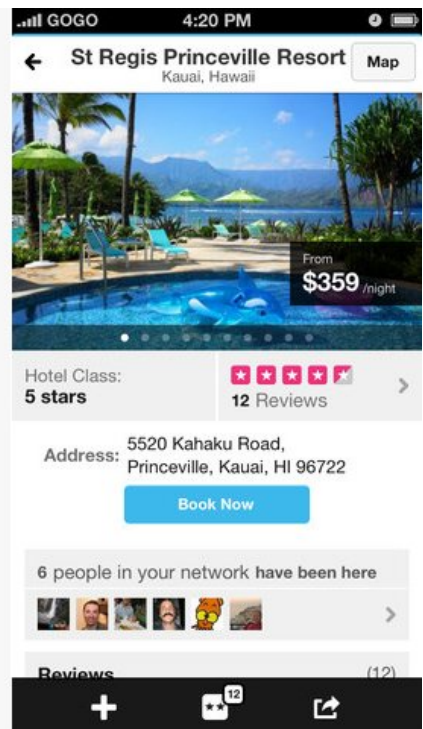

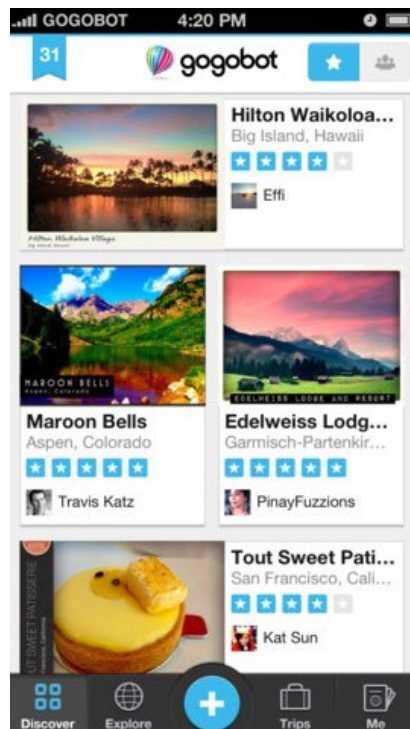

Price: free

Gogobot

Here's another app to help you brainstorm fun travel ideas. It lets you lay out a potential itinerary and share your plans with friends when you're done.

Price: free

Kayak

Paying for your travel is one of the biggest costs associated with any vacation. Kayak's app comes to the rescue by scrounging up the best deals to get you where you want to be when you want to be there.
